**Want to *really* become a part of Steppingstone Farm Museum?**

Consider being a sponsor and/or corporate partner. We are looking for sponsors and corporate partners for 2018. The museum's mission is to preserve and interpret the rural heritage of Harford County. In addition to fundraisers, membership drives, and site rentals, the farm museum relies on corporate support to sustain grounds care, historic buildings maintenance and repair, exhibit installation, programs and events, school tours, and so much more!

**Why partner with Steppingstone Farm Museum?**

We are a private, non-profit organization located within the Susquehanna State Park. We receive approximately 40,000 visitors a year. Since we are easily accessible from I-95, our walk-in visitation comes from many out of state visitors. Visitors from Harford, Cecil, and Baltimore counties are regular attendees of our community events. Young families make up a large number of the attendance. We are also a popular private event venue. Steppingstone hosts private events on the weekends from April – June and September – November. In addition to our onsite visitors, Steppingstone has over 3,000 Facebook followers and is on Instagram, Twitter, and Pinterest. Our website is updated regularly and highlights what is going on at the museum. By partnering with us, your company will receive significant visibility and recognition.

Please consider becoming a corporate sponsor and/or a corporate partner. All levels can be customized. We would like to develop a relationship with your company in a meaningful way. Steppingstone would be happy to set up a meeting with you to discuss this.
